- Saves up to 80% energy

### Objects are seen in their true, natural colors

- High color rendering (CRI > 80) for vivid colors

### Create desired ambiance

- The more you dim, the warmer the light

**PHILIPS**

Bulb  
6W (40W) E27, Warm white, Frosted

## Besonderheiten

### Beautiful, switched on an off

Familiar shapes are a perfect fit for your fixtures: we have retained the shapes and appearance of the classic light bulb.

### High color rendering (CRI>80)

The color rendering index (CRI) is used to describe the effect of a light source on color appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colors truly and naturally.

### Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

### Saves up to 80% energy

Save up to 80% energy compared to your standard bulb. It pays for itself and saves you money year after year. So reduce your energy bill and start saving Now.

### WarmGlow dimming

Unlike other dimmable LED lamps, these new WarmGlow bulbs, with their familiar shape, offer a perfect warm dimming experience, enabling you to switch from everyday functional lighting to an inviting, warm ambiance. The more you dim, the warmer the light and the lower the light level. You can now customize your room for a variety of tasks and be sure you will always have the right light.

## Daten

### Bulb characteristics

- Shape: Bulb
- Cap/fitting: E27
- Voltage: 220-240V/50-60Hz V
- Dimmable: Yes

### Power consumption

- Wattage: 6 W
- Wattage equivalent: 40 W
- Energy efficiency label: A+
- Power consumption per 1000h: 6 kW h

### Light characteristics

- Light output: 470 lumen
- Color: Warm White
- Color temperature: 2200-2700 K
- Light effect/finish: Warm White
- Color rendering index (CRI): 80
- Starting time: <0.5 s

### Durability

- Lifetime of lamp: 15000 hour(s)
- Number of switch cycles: 50000
- Lumen maintenance factor: 0.7
- Average life (at 2.7 hrs/day): 15 year(s)

### Bulb dimensions

- Height: 110 mm
- Width: 60 mm

### Other characteristics

- Lamp current: 35 mA
- Range: WarmGlow

Ausstellungsdatum  
2016-06-06  
Owner: Steffie van der  
Velden
